Home Address:  
412 Summit Ave  
Arlington, TX 76013

Complex problem-solver with analytical and driven mindset. Dedicated to achieving demanding development objectives according to tight schedules while producing impeccable code.

### **Education :-**

#### **P P Savani University (PPSU)**

Candidate for B.E. in Computer Engineering, GPA: 8.52/10.0

**Surat, GUJ**

2018 – 2022

#### **Sardar Vallabhbhai Patel High School (S.V.P)**

**Surat, GUJ**

2016 - 2018

### **Experience :-**

#### **Data Engineer, Elite Technocrats – Gujarat, India**

February 2023 – June 2023

- Successfully implemented back-test of stocks (e.g., SBIN, BANKNIFTY, TCS, etc.) with the various indicators and given conditions.
- Setup and Configuration exe to automatically trade in stock market.
- Create stocks data in minute format.

#### **SRE, Covered by Sage – Intern, Remote-Work**

August. 2021 – January-2021

- Convert the file/application to images and store to docker file.
- Command over functions like Routing, S3 bucket, Lambda function in AWS.
- Create an yaml file for Microsoft services.

### **Projects :-**

#### **Image Stitching (Panorama Effect)**

It can combine the segments of different similar images into one big picture as our camera has a limitation to capture an image till some point which can be accomplished by this function.

#### **Chat Bot (Python | Neural Network | NLP)**

In this project, Chat-bot can detect similar sets of questions which is in a different format and gives the proper answer to an individual question from users. This bot only gives the details about my university admission, hostel and canteen facilities.

#### **Face Landmarks (Using Python)**

It detects a face of a person and creates a point (68 points in total) on boundary of eyes, lips, nose, and face.

#### **Q/A NLP Based System (Python | NLP)**

Question Answering System in which users have to pass a passage and questions and algorithms finds out the answers from the given passage.

### **Technical Skills:**

C (Intermediate), JAVA (Beginner), Python (Intermediate), SQL (Intermediate), Fire-base (Intermediate), Sq Lite (Beginner), Basic Algorithms (Beginner)

### **CAREER HIGHLIGHTS:**

- Won 2<sup>nd</sup> price in Blind Coding event in tech fest at P P Savani University, Surat.
- Won Table-tennis intra-college sports at P P Savani University, Surat.
